**College of Business Rules**

**College of Business 3000/4000 course restrictions**

Students who are not admitted to the College of Business may take a **MAXIMUM** of five business courses at the 3000/4000 level. The only exception to this rule is for any non-business major, concentration, or required minor that requires more than five of these courses.

Effective Fall 2013, all 4000-level business courses require a minimum grade of "C" in any Writing in the Discipline [WID] course. Also, these students must have senior standing (90 earned hours) and a minimum cumulative GPA of 2.0 in addition to any course prerequisites.
