Student Course and Project

Any student receiving funding is required to register for at least 1 credit hour of research, internship, or independent study per session funded. This course must be associated with the work the student is doing for the faculty member. Please ensure that students are provided with a syllabus or other document outlining the evaluation method to be used for the course.

By checking this box, I am indicating that I will ensure that the student is provided with a clear evaluation method.

Which course will the student register for? (Please include course prefix, number, and credit hours.)

summer 1 - course prefix and number (ex. BIO 1812): **student credit hours**

summer 2 - course prefix and number (ex. BIO 1812): **student credit hours**

Project Title

Description of Project including

Goals and Outcomes: Please describe the student's project to a lay audience and how this will benefit the faculty member's scholarship (1000 characters or less)
