### Registration Access Times for Summer/Fall 2017

Eligible undergraduate students may view their registration appointment time in AppalNET/Web Self-Service. Access to the registration system is based on your earned hours (institutional and transfer). The initial registration access time may be viewed on the "Check Your Registration Status" page. Or, students may confirm their earned credit in the Web Registration System (WRS) on the "Check Your Registration Status" link under the Student tab. ("Earned Credit" will not be displayed on your Registration Status page if you have zero earned

hours for your current classification. A student's current semester's registered hours are not included in this total, as they are not yet earned.) Students may add their earned institutional hours and earned transfer hours to determine their registration appointment time. To view their registration access time, click on the appropriate Earned Hours link below. The registration system is programmed to grant access to registration at the time and date specified. Once access is given, it will continue through early registration and the schedule adjustment periods specified in the "Academic Calendar."
